OUR COMPANY PROFILE

Established in 1985, Bolts and Tools Center (BTCO) is an ISO 9001:2000 certified company, recognized as a leading supplier of building materials, oilfield supplies, safety items, lifting materials, garage equipment, welding equipment, industrial fasteners, hand tools, and power tools. For nearly 40 years, we have been a trusted partner in Qatar's industrial landscape, representing over 1,500 leading manufacturers and offering a wide array of industrial supplies, consumables, and equipment.

With our head office strategically located in the heart of Qatar at Msheireb, BTCO operates showrooms and warehouse across Qatar, ensuring accessibility and convenience for our clients. Our team of more than 75 dedicated professionals, including sales team, engineers, quality and inventory controllers, procurement and logistics is committed to providing exceptional service and support to our customers.

OUR PARTNERS

Mantall, Bosch, DeWALT, Thunder Power, Five Peaks, Perfect Tools, Lavor, Armstrong, Friulsider, Unior, Stonek, Campbell Hausfeld, Norbar, Weiss Machine & Tools, KD Tools, Makita, Hoteche, La Padana Air Compressors, Sperian, Larius, Balma, Robinair, Selta Professional Tools, Black+Decker, Custor, Greenlee, Tecfi, Stanley, Ridgid Professional Tools, Ruko, Tolsen, Miller, WAQ, Coats, KuDos, felo, Klauke, Raasm, LoneStar, Metabo, OTC, Helvi, Loctite, Ingco, Milwaukee, Perkins, Tubesca, Schaefer, Vaultex, Newco, Graco, Waeco, Willson, Clarke, Workland, DeltaPlus, Ammco, Wiseup, Challenger Lifts, Tuf-Fix, Lifede, Lincoln Electric, Mennekes, Ecodora, Ultra, Fiac, Einhell, Eoslift, Dingli, IndyPro, Teng Tools, Licota, Allen, Gedore, Teco, Homelite, Launch, CRC, Ozen, Telwin, Henkel, Wendt, Teroson, ABAC, Kärcher, Tekbaş, Metsä, Dormer Pramet, Vaultex, SafetyPlus, Index, Fisher Tools, Hilti, Mungo

OUR CLIENTS

OUR EXTENSIVE CLIENTELE SPANS A VARIETY OF INDUSTRIES, INCLUDING:

- Oil and Gas Industry
- Marine Industry
- Power Industry
- Military and Government Sectors
- Telecommunications Industry
- Hotels and Hospitals
- Garages and Automotive Industry
- Construction Industry

At BTCO, we pride ourselves on on-time delivery, with fleets of delivery trucks ensuring prompt and efficient distribution of products. Our team's professionalism and dedication have earned us a reputation for reliability, quality, and customer satisfaction.

For all your industrial needs, BTCO is the trusted partner, delivering excellence for nearly four decades.

OUR VISION

To be the leading and preferred partner in industrial equipment and supply solutions locally and worldwide by 2030, delivering high-quality products and outstanding service that empower customers to achieve operational efficiency, drive innovation, and champion sustainability.

OUR MISSION

We are dedicated to delivering exceptional industrial equipment and supply solutions by providing high-quality products and innovative services tailored to our customers' diverse needs. Our mission is to enhance efficiency and productivity across industries by building long-term partnerships, offering specialized technical support, and ensuring fast, reliable delivery. Grounded in innovation and sustainability, we drive the growth and development of tomorrow's industries.

EXHAUST AND VENTILATION

Improve air quality and ensure efficient airflow with our premium Exhaust and Ventilation Systems, sourced from reputable brands known for their high-performance and reliability. Designed for both industrial and commercial applications, our ventilation systems provide effective air circulation and remove harmful pollutants, ensuring a safe and comfortable environment.

Our range includes exhaust fans, ducting systems, air purifiers, and ventilation solutions, all built to meet the demands of various environments, from manufacturing plants and workshops to kitchens and office spaces. Engineered with advanced technology, these systems deliver optimal airflow, reducing humidity, odors, and airborne contaminants.

SCHAEFER THUNDER POWER

TUBULAR BATTERIES

Power your applications with confidence using our premium Tubular Batteries, sourced from reputable brands known for their innovation and reliability. Designed for a variety of uses, including solar energy systems, inverters, and industrial applications, these batteries provide exceptional performance and longevity.

Our tubular batteries feature advanced technology that ensures efficient energy storage and consistent power output. With a robust design and durable materials, they are engineered to withstand harsh conditions, making them ideal for both residential and commercial use. The unique tubular plate design enhances the battery's capacity and cycle life, delivering superior reliability over time.

AUTOMATION OF CONTROL PANELS

Enhance your operational efficiency with our premium Automation of Control Panels, sourced from reputable brands known for their cutting-edge technology and reliability. Our control panel automation solutions are designed to streamline processes, improve monitoring, and ensure precise control across various industrial applications.

Engineered with advanced automation technology, our control panels provide seamless integration with existing systems, allowing for real-time data acquisition, analysis, and control. This enables you to optimize performance, reduce downtime, and enhance overall productivity. Our solutions are customizable to meet the specific needs of your operations, whether in manufacturing, energy, or facility management.

- UPS, Inverters, Rectifiers, DC Systems.
- Voltage Stablizer
- Power factor correction & Harmonic filters
- Earthing & Lighting
- Surge Arrestors
- HV, distribution Tranformers

VALUES WE UPHOLD:

Our values embody our purpose and define the essence of work at BTCO. These principles are the foundation of our culture and guide everything we do.

- **Safety:** Safety is our top priority. We ensure a safe working environment by implementing proper procedures and plans at all job sites.
- **Integrity:** We maintain the highest standards of behavior and business ethics throughout all areas of the company's operations.
- **Continuous Improvement:** We celebrate success but are never complacent. We strive for excellence, aim for perfection, and drive change with determination.
- **Teamwork:** We foster a spirit of collaboration to achieve significant milestones and carefully planned objectives.

CHAIRMAN'S MESSAGE

Dear Partners and Valued Clients,

It is my pleasure to welcome you to our company, where we are dedicated to leading in the field of industrial equipment and supplies, contributing to industrial growth locally and internationally. From the beginning, we have set a clear goal: to deliver world-class products and services that align with the demands of the modern era and fulfill our clients' aspirations.

At our company, we believe true success stems from continuous innovation and the development of enduring strategic partnerships. With this commitment, we invest in the latest technologies and deliver comprehensive solutions that address our clients' needs efficiently and effectively. Operating with the highest ethical and professional standards strengthens our position as a trusted partner in the industry.

Our vision is rooted in sustainable growth and expansion while enhancing industrial efficiency and supporting diverse industries. We are confident that with your continued trust and support, we will achieve even greater milestones and successes.

Thank you for your trust, and we look forward to a bright future full of new opportunities.

FLUIDS & LUBRICATION EQUIPMENTS

Optimize your machinery and ensure peak performance with our premium Fluids and Lubrication Equipment, sourced from reputable brands known for their excellence and innovation. Designed for both industrial and commercial applications, our equipment delivers reliable solutions for efficient lubrication and fluid management.

Our range includes high-quality pumps, dispensers, and storage solutions, meticulously engineered to handle various fluids, including oils, greases, and coolants. With advanced technology and robust construction, these products ensure precise application and consistent performance, minimizing downtime and extending the lifespan of your equipment.

ECODORA FILL-RITE RAASM PIUSI

CLEANING & JANITOR EQUIPMENT

Achieve a spotless environment with our premium Cleaning and Janitorial Equipment, sourced from reputable brands known for their quality and effectiveness. Designed for commercial, industrial, and residential use, our equipment ensures thorough cleaning and maintenance with minimal effort.

Our extensive range includes high-performance vacuums, mops, scrubbers, and cleaning tools tailored for various surfaces and environments. Each product is engineered to deliver exceptional results, whether you're tackling tough grime, maintaining floor hygiene, or ensuring sparkling windows. With ergonomic designs and user-friendly features, our equipment enhances productivity and makes cleaning tasks more efficient.

LAVOR TEKPAC

PAINT SPRAY EQUIPMENT

Transform your painting projects with our premium Paint Spray Equipment, sourced from reputable brands known for quality and innovation. Designed for commercial and industrial use, our equipment ensures a flawless finish on every job, whether you're working on walls, furniture, or intricate details.

Each product is built to handle a variety of paints, including latex, oil-based, and stains, providing versatility for any painting task. The durable construction guarantees reliability, while user-friendly designs facilitate quick setup and easy cleaning.

- Pressure Pneumatic washers Hydro Clean
- Airless electric diaphragm pumps
- Airless electric piston spray equipment
- Electric and pneumatic equipment for dense and aggregate products
- Injection pumps for resins
- Multi-component systems with electronic dosing OUTDOOR
- Q4 Gold professional HVLP turbine system
- Sand Blasters

INDUSTRIAL PLUGS & SOCKETS

Ensure reliable and safe electrical connections with our premium Industrial Plugs and Sockets, sourced from reputable brands known for their quality and durability. Designed for heavy-duty applications in industrial, commercial, and construction environments, our plugs and sockets are built to handle high power loads while maintaining top safety standards.

Our range includes waterproof, dustproof, and corrosion-resistant options, making them ideal for use in harsh environments. With robust materials and secure locking mechanisms, these products ensure long-lasting performance and reduce the risk of power interruptions or electrical hazards. Whether you're powering machinery, lighting systems, or other industrial equipment, our plugs and sockets provide dependable, consistent connections.

MENNEKES

AIR COMPRESSOR

We specialize in providing high-quality air compressor equipment to meet the needs of industries ranging from construction, automotive, manufacturing, to home and workshop applications. Our air compressors are designed for efficiency, durability, and performance, ensuring reliable power for a wide range of tasks, from powering pneumatic tools to industrial applications.

Various lines are available including:

3-phase electric air compressor, silent air compressors, air compressors with Inflation kit or nailer kit, oil-less compressors, electric air Compressors, horizontal air compressors, oil-lubed compressors, portable electric compressors, portable gas-powered air compressors, twinstack air compressors and compressor pumps
